 BOTTLE
TEK

Collection

BOTTLE TEK

Bottle Tek provides clear plastic juice bottles for cold-pressed juice bars, wellness programs, and grab-and-go beverage retail. Round and square profiles in multiple sizes, plus specialty shapes like bear bottles, candy jars, and flasks, let operators build a branded beverage line from one collection.

Round Cold Pressed Bottles

Tall, slim round bottles with safety caps for cold-pressed juices and functional beverages in 8, 12, and 16 oz

Square Cold Pressed Bottles

Square-profile bottles with safety caps in 8, 12, and 16 oz for shelf-friendly juice retail and grab-and-go displays

PET Juice Bottles

Thicker-walled PET round bottles with standard caps in 12, 14, 17, and 20 oz for still beverages and kombucha

Specialty Bottles

Bear-shaped, candy jar, flask, and energy shot bottles for novelty beverages, wellness shots, and branded retail
