COPPETTA 

Collection

Coppetta paper to-go cups, lids, and matching plastic flatware combine practical disposable function with distinctive design. From bold solids to stripes, sprinkles, and themed prints, every piece keeps gelato, desserts, and side portions looking great on the counter and in the hand.

Cups in Every Style

Round, square, and oval paper to-go cups in solid colors, stripes, plaids, sprinkles, and creative themed prints

Matching Lids

Round, square, and oval paper and plastic lids designed to fit Coppetta cups, with spoon-included options

Specialty Plastic Flatware

Cake forks, love shovel spoons, and petal spoons in vibrant colors for tasting, dessert, and sample service

The background of the advertisement is a photograph of a dining table with several white, square-shaped food containers featuring vertical stripes in shades of green, blue, and brown. The containers are filled with various foods: one has a salad with bread, another has a fruit salad with blueberries and raspberries, and others contain what appears to be meat or vegetables. A stack of three more striped containers is visible in the background. The entire image is overlaid with a semi-transparent green filter.
