OTTO
Collection

OTTO

The Otto collection captures the quiet drama of a well-poured drink, letting the rich tones of whiskey, bourbon, or craft cocktails take center stage. Each glass is machine-blown with precision, balancing durability with an elegant clarity that elevates the ritual of serving and sipping. The paneled silhouette nods to timeless design, while the weighted base grounds every pour with confidence. Whether set on the bar of a bustling hotel lounge or used to serve a neat spirit at a private event, Otto glassware transforms every moment into an experience worth savoring.
