PERFECT POINT
Collection

Perfect Point is a plating tweezer line
for fine dining kitchens, tasting menus,
and pastry programs.

Fine Dining Plating

Garnish goes down exactly where the chef set it and stays there from the pass to the table.

Tasting Menu Service

Twenty covers of the same course go out looking identical, plate after plate, through a full seating.

Pastry and Dessert Work

Delicate work gets placed by hand at close range without a thumbprint anywhere near the plate.
