PYROTEK

Collection

Pyro Tek delivers reliable chafing fuel and heat sources for buffet warming stations, chafers, and portable food warmers. Every fuel cell is engineered for consistent, long-lasting heat output to keep dishes service-temperature throughout events.

2-Hour Chafing Fuel

Compact ethanol fuel cells rated for 2-hour continuous heat, ideal for shorter events and grab-and-go service.

4-Hour Chafing Fuel

Extended-duration fuel cells for mid-length buffet events, maintaining steady flame without frequent replacement.

6-Hour Chafing Fuel

Premium long-burn fuel packs designed for all-day catering setups and high-volume service stations.
