SUSTAINABLE SOLUTIONS

SHOPTEK

Collection

Heavy duty red shopping baskets for grocery, market, campus store, and event retail checkout lines. Built for repeated lifts, loads, and cleaning cycles without cracking, bending, or losing color.

Reinforced Steel Handles

Support 30+ pounds of groceries without bending, cutting basket replacement costs over time

Sanitation Ready Plastic Body

Non porous surface wipes clean between shifts and holds up to hospital grade disinfectants

High Visibility Red Finish

Instantly recognizable across busy checkout floors, easy for shoppers to grab and staff to restock
