SUSTAINABLE SOLUTIONS

TURBO HEAT

Collection

Flameless food warming for catering, buffet, and off-premise service. No gel fuel, no live flame, no monitoring required to hold half pans at safe serving temperature.

Flameless Operation

Chemical heating packs replace gel fuel for safer buffet and event service.

Half Pan Ready

Trays sized for two standard half size pans and drop into any chafer frame.

Refill and Reuse

Refill kits with fresh trays and heating packs keep operators stocked between events.
