SUSTAINABLE SOLUTIONS

VOGA
Collection

Modern foodservice melamine and natural wood serving in white, black, and acacia, built for hotel buffets, banquet halls, and restaurants that need durability with elevated visual presence.

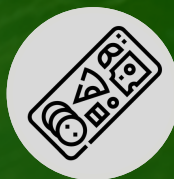

White Melamine Service Pieces

Classic, slant, incline, and flare formats in small to extra-large sizes give chefs the full plating range from small appetizers to family-style

Black Japonais Plates and Bowls

Stone-look melamine plates, freeform bowls deliver Japanese-inspired presentation for sushi programs, and tasting menus with the visual weight of slate and granite

Service Tools and Wood Boards

Sauce ladles, tasting spoons, soup spoons, and wood serving boards complete the catering and front-of-house program
